WOOD

MANCHESTER

Simon will be on site daily working with his team to create incredible food for everyone who visits WOOD, from Manchester and Beyond...

Simon started cooking when he could 'reach the top of an oven'. His passion began when, at eight years old, he won a competition to be anything for a day and he chose to be a chef. Thirty years later Simon's MasterChef win saw him fulfilling a dream he has had since he was young. The dream continues now with the announcement of Simon's second WOOD Restaurant within the new Hotel Indigo in Chester.

His areas of passion include fine dining, the art of plating, and teaching. His debut cookbook is *At Home with Simon Wood - Fine Dining Made Simple*.
